NET REVENUES FOR THE FIRST QUARTER 2004: UP 10% to 155 million euro

Giovanni Cavallini, Interpump Group's Vice Chairman and Chief Executive Officer:

“The trend in the first quarter confirms that Interpump Group, despite the dollar weakness, continues its growth, reacting to the uncertainties of the international economic cycle and strengthening its leadership positions on the market”.

Sant’Ilario d’Enza, 8 April 2004 – Interpump Group S.p.A. has today released its preliminary figures of the consolidated net revenues for the first quarter of 2004, **which amounted to over 155 million euro, up 10%** against 141 million euro in the first quarter of 2003.

At constant dollars, which depreciated by 16.5% against the euro in the first quarter of 2004 as compared to the same period of 2003, growth would have been amounted to 14%, with net revenues equal to over 160 million euro.

Interpump Group informs that the results for the first quarter of 2004 will be disclosed after being approved by the Board of Director's Meeting, **called on 10 May 2004.**

Giovanni Cavallini, Interpump Group's Vice Chairman and Chief Executive Officer said: *“The trend in the first quarter confirms that Interpump Group, despite the dollar weakness, continues its growth, reacting to the uncertainties of the international economic cycle and strengthening its leadership positions on the market”.*
