

**INTERPUMP
GROUP**

PRESS RELEASE

S. Ilario d'Enza, 9 January 2009 – Upon Consob request and with reference to the press release issued this afternoon at 3:43 pm about the closing of acquisition of the two companies Oleodinamica Panni and Cover, Interpump Group reaffirms the information already reported in the press releases issued on 8 October and on 23 October 2008 about the prices of the above mentioned transactions.

Interpump Group acquired 59% of the shares of Oleodinamica Panni and a 37% stake in Hydroven, already controlled for 63% by Interpump Hydraulics S.p.A., at a total price of 29.9 million euro. Payment was made partially in cash and partially in Interpump Group shares (number 3,100,000 of shares).

Interpump Group acquired 51% of the shares of Cover, paying an advance of 6.1 million euro. Also in this case the payment was made partially in cash and partially in Interpump Group shares (number 250.000 shares). The final price is to be calculated by reference to 2008 EBITDA using a multiplier of 5.5.
