INTERPUMP GROUP FINALIZES THE CLOSING OF THE ACQUISITION OF THE WALVOIL GROUP

Sant'Ilario d'Enza (RE), 15 January 2015 – Interpump Group announces that it finalized the closing of the acquisition of 100% of the **Walvoil Group**, headquartered in Reggio Emilia, one of the most significant international players in the manufacture and sale of hydraulic valves and distributors, in accordance with the economic terms declared in the press release dated December 19, 2014, when the preliminary agreement was signed.

Of the provisional price, 54,2 million euros was settled in cash and 45,8 million euros through the transfer of 4,004,341 listed shares of Interpump Group S.p.A.

Interpump thanks Walvoil's management for its cooperative enthusiasm that permitted to achieve the closing of the transaction quickly; this allows to work straightaway on the rationalization and strengthening process of the activities relating to hydraulic valves and distributors; in such segment the acquisition of Walvoil ranks Interpump among the narrow circle of world leaders.
