

PRESS RELEASE

INTERPUMP GROUP ACQUIRES BERTOLI

Sant'Ilario d'Enza (RE), 16 May 2015– Interpump Group announces that it has signed a preliminary contract for the acquisition of 100% of **Bertoli**, located in Parma, one of worldwide players in the market of the industry for the design and building of high pressure homogenizers with plunger pumps, mainly for the food industry, but also for chemistry and cosmetics.

Bertoli , in 2014 reached a turnover of 11,2 million euro, and an EBITDA of 2,3 million, equal to 20,7% of net sales. In the first four months of 2015, net sales grew more than 30%, compared with the same period of 2014. As at 30 April 2015, Bertoli had net cash for about 1 million euro.

With the acquisition of Bertoli, leader in the niche of the homogenizers, Interpump enter in the market of pumps for the food sector, , reinforcing its undisputed worldwide leadership in the sector of high pressure plunger pumps. The acquisition is the assumption for important production and commercial synergies.

The agreed price is 7,3 million euro.
