The authorization granted is valid for eighteen months from the date of the Shareholders' Meeting, and concerns the buyback of up to 5,500,000 ordinary Interpump Group shares with a nominal value of €2,860,000, reaching a maximum - considering the shares bought back and still held in treasury in accordance with previous shareholder resolutions - of 6,909,683 ordinary Interpump Group shares, or any lower limit as stated by law. Buybacks and sales of treasury shares will be mainly carried out to use Company shares to finance acquisitions and/or to service the stock option plans.

Today's authorization cancels and supersedes the unfulfilled part of the previous authorization granted by the Shareholders during the General Meeting held on 28 April 2017 and expiring in October 2018.

To this end, it should be noted that between 28 April 2017 and today a total of 747,569 own shares were transferred to third parties (of which 85,569 used for acquisitions and 662,000 connected to the exercise of stock options). ¹ Net profit for 2017 includes one-off fiscal benefit worth €5.9 million, almost entirely resulting from the reassessment of deferred tax assets and liabilities following the introduction of the corporate tax reform in the USA.
