<sup>1</sup> In compliance with the provisions of art. 106 of Decree 18 dated 17 March 2020 (as most recently extended until 31 July 2022 pursuant to art. 3, para. 1, of Decree 288 dated 30 December 2021, as enacted by Law 15 dated 25 February 2022), both the ordinary and extraordinary sessions of the Shareholders' Meeting were attended exclusively via the Designated Representative, Computershare S.p.A., to which the shareholders granted proxies pursuant and consequent to art. 135-undecies of Decree 58/1998 ("TUF") containing their voting instructions for each agenda item

<sup>2</sup> Around 76% of the share capital of the Company was represented at the Shareholders' Meeting.

<sup>3</sup> Financial statements prepared in ESEF format

held in subsidiaries<sup>4</sup> and the prudent partial reversal, following a legislative change approved on 23 December 2021, of the deferred tax assets recognized on franking the goodwill of the Parent Company and on revaluing trademarks<sup>5</sup>. Sterilizing these non-recurring events, the **Normalized<sup>6</sup> Consolidated Net Profit** for the year was 216.4 million euro, up by 47.5% from 146.7 million euro in 2020.

The **net cash flow from operating activities** was 317.8 million euro, up by 38.0% from 228.6 million euro in 2020. **Free cash flow** decreased to 133.8 million euro from 203.8 million euro in 2020, due to increased investment and the rise in working capital as a consequence of strong growth.

**Net debt** at 31 December 2021 was 494.9 million euro, compared with 269.5 million euro at 31 December 2020: this increase was mainly due to the acquisitions made in 2021 – White Drive and Berma – which accounted for 321.4 million euro; in addition, 29.5 million euro were paid in dividends and 22.4 million euro were spent on treasury shares.

Additionally, at 31 December 2021 the Group had commitments for the acquisition of non-controlling interests in subsidiaries totaling 77.8 million euro (62.7 million euro at 31 December 2020).

### **Results of the Parent Company for 2021**

The net sales of Interpump Group S.p.A. rose to 112.4 million euro in 2021 (100.5 million euro in 2020), with an EBITDA of 23.3 million euro (20.4 million euro in the prior year). Net profit was 84.3 million euro (101.8 million euro in 2020).

### **3. APPROVED DIVIDEND**

The Shareholders' Meeting declared a dividend of 0.28 euro per share (0.26 euro per share in the prior year), gross of withholding taxes. The dividend will be payable from 25 May 2022, with detachment of coupon no. 29 on 23 May 2022 (record date: 24 May 2022).<sup>7</sup>

### **4. ACKNOWLEDGED THE CONSOLIDATED NON-FINANCIAL STATEMENTS**

The Shareholders' Meeting acknowledged the Consolidated Non-Financial Statement for 2021, prepared pursuant to Decree 254/2016 and approved by the Board of Directors on 18 March 2022.

---

<sup>4</sup> Adverse impact on the year of € 18.3 mn

<sup>5</sup> In detail, the goodwill of the Parent Company was franked in the financial statements at 31 December 2020, while the trademarks were revalued, solely for tax purposes, in the interim report on operations at 30 June 2021: these entries and the subsequent related partial reversal had a net positive effect on the year of € 0.5 mn

<sup>6</sup> This normalization of profit reflects sterilization of the two events described above

<sup>7</sup> The Ministerial Decree dated 26 May 2017 is applicable for tax purposes, since the entire dividend is taxable in the hands of the receipt and is deemed drawn from the profit reserves formed subsequent to the year in progress at 31 December 2007 and up to and including the year in progress at 31 December 2016

## **5. APPROVED REPORT ON REMUNERATION POLICY AND THE COMPENSATION PAID**

Pursuant to art. 123-ter, para. 64, of Decree 58/1998, the Shareholders' Meeting approved Section II of the "Report on remuneration policy and the compensation paid" for 2021.

## **6. APPROVED OF THREE-YEAR INCENTIVE PLAN**

This Plan is for those directors, employees and collaborators of Group companies who the Board of Directors has determined perform important roles or functions within, or for, the Group and for whom action is justified to strengthen their loyalty with a view to creating value. In particular, the objectives of the Plan are to:

The Plan envisages the assignment without charge of up to 2,250,000 options, each carrying the right - on the achievement of specific objectives identified by the Board of Directors - to purchase one treasury share held by the Company or, at the discretion of the Company, to subscribe for one newly-issued share. The options whose Board objectives have been achieved may be exercised by their beneficiaries, in whole or in part, but in blocks of not less than 500 options, during the period between 30 June 2025 and 31 December 2028 at a price of Euro 38,6496 each and, for those options assigned after 29 April 2023, at the official price for a share in the Company struck by Borsa Italiana on the trading day prior to their assignment.

## **8. RENEWED THE AUTHORIZATION OF TREASURY SHARES PURCHASE-USE PLAN**

After revoking the previous authorization granted at the Shareholders' Meeting held on 30 April 2021, the Shareholders' Meeting granted a new authorization to purchase and dispose of treasury shares through October 2023, with the following principal characteristics:

- (i) concerns purchase of the maximum number of ordinary shares allowed by the regulations in force at the time;
