- (6) Indicate the group of executives with strategic responsibilities of the issuer of the shares for whom indication by category is required.
- (7) Indicate the category of the other employees and the category of the collaborators who are not employees. Different lines must be reported with respect to categories of employees or collaborators for whom different features of the plan are envisaged (e.g. executives, middle managers, white-collar workers).
- (8) The figures refer to the instruments for plans approved on the basis of:
 - i. resolutions of shareholders' meetings preceding the date on which the competent body approves the proposal for the meeting and/or
 - ii. resolutions of shareholders' meetings preceding the date on which the body having competence for deciding implements the delegated powers received from the shareholders' meeting;the table accordingly contains:
 - in case i) information updated to the date of the proposal to the shareholders' meeting of the competent body (in that case the table forms part of the information document for the shareholders' meeting held to approve the plans);
 - in case ii), information updated to the date of the decision of the body having competence for implementing the plans (in that case, the table is attached to the notices published as the result of the decision of the body having competence for implementing the plans).
 - a. The information may refer to: the decision of the board of directors' meeting preceding the shareholders' meeting for the table forming part of the document presented at the meeting; in that case, the table will only report the features possibly already established by the board of directors;
 - b.
 - c. the decision of the body having competence for deciding upon the implementation of the plan subsequent to the approval by the shareholders' meeting in the case that the table forms part of the notice to be published on occasion of the latter decision relating to the implementation.In both cases, the corresponding caption in the field relating to this note 9 must be noted. For information which is not yet determined indicate "N.A." (not available) in the corresponding field.
- (9) If the grant date is different from the date on which the remuneration committee has formulated the proposal regarding that grant, add to the field the date of the proposal of this committee meeting, annotating the date on which the board of directors or other competent body adopted the resolution with the code "cda/oc" and the date of the proposal of the remuneration committee with the code "cpr".
- (10) Number of options held at the end of the year, or the year prior to that in which the shareholders' meeting is called to approve the granting of new options.
- (11) Indicate in schedule 1, for example: i) shares of company X; (ii) the instrument linked to the value of shares Y, and in schedule 2: iii) options on shares W with physical settlement; iv) options on shares Z with settlement in cash, etc.
- (12) Number of options exercised since the beginning of the plan until the end of the financial year prior to that in which the shareholders' meeting is called to approve a new stock option plan.
- (13) The vesting period is the period from the moment in which the right to participate in the incentive system is granted to the moment in which that right matures.
